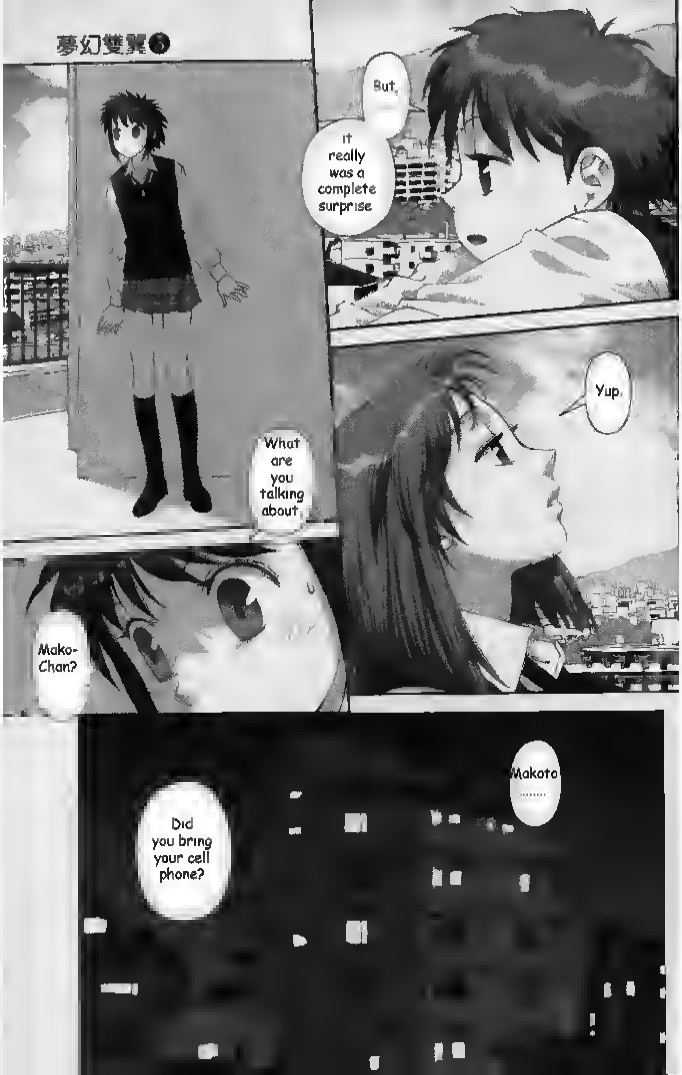
Yup
Cutting class again huh

Hey...
What do think about what Grand-father told us?

Mako-Chan
?

It some what doesn't seem at all real_ you know_
It seems like a lie
Yea

Mako-Chan you being only half-human_
It seemed like a Sci-Fi story told way to seriously by Grandfather and Mom Altogether it seemed pretty stupid!
Yea I thought so too_
A ha ha ha ha
Ha_



But,
it really was a complete surprise
Yup.
What are you talking about.
Mako-Chan?
Makoto .....
Did you bring your cell phone?

コトッ…
Yes..
I brought it, but why did I have to?
For Makoto.
How about you make clear
your identity, now?
All right …
I'm running out of time, and such… so okay.
Eh?

!!
!
!?
.....
All right let me reintroduce myself.
I am Makoto's father.

Well, actually what is in front of your eyes is a probe.
Umm it's kind of like a communicator.
The real me is humanoid like an earthling. So,
Ah
I want you to be at ease.

It's been a long time, Kanako
Eh
Mako-Chan's dad is this small.
No way.
Are you a woman too?
Uh, well

It's a 3D projection
Idiots, This is a Hologram
Also, Mokoto what are you thinking!
Since I'm your dad, I'm a hermaphrodite like you!
On our home world, we're all like this
Ah yeah that makes sense

What World?
My world is 43 light-years from here
.....
It's a blue planet much like the Earth
Except it has three moons none of which are as big as your moon
Right now ...?
From that far away,
you are communicating with us?

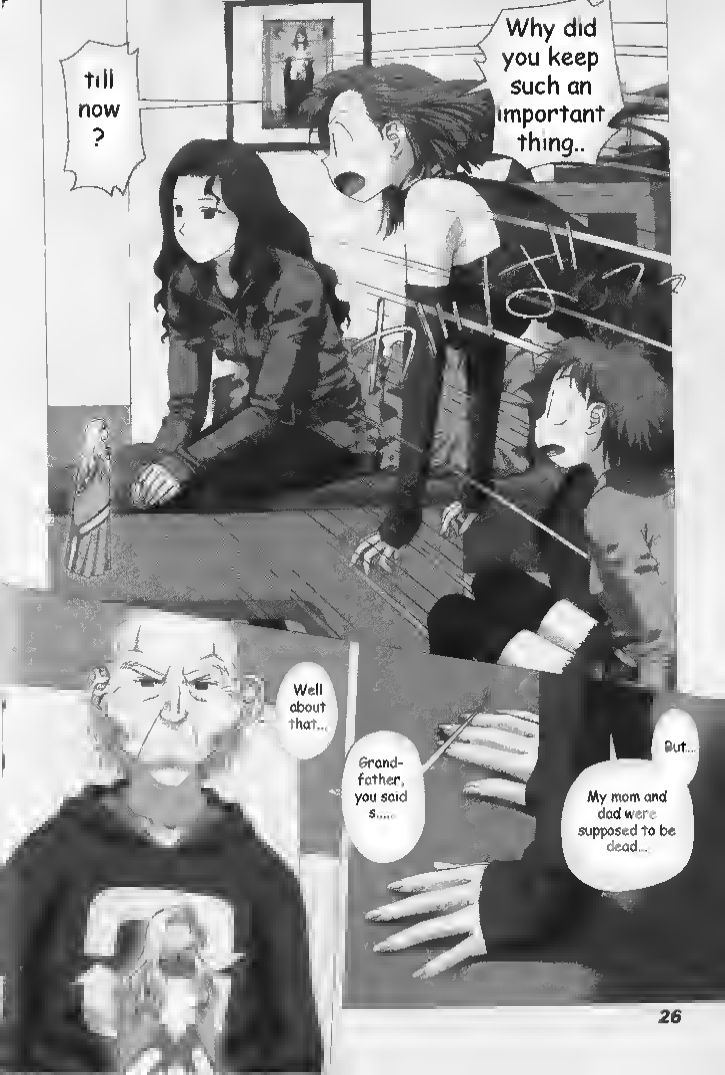
Right now, I'm in a space ship orbiting the dark-side of the moon.
No

After the cell phone came, I was able to monitor Makoto.
and from then on, I've been checking up on her.
she's always doing this sort of thing

I wanted to know everything that Makoto was doing
How had she grown,
How was her life
Because she was the crystallization of my love for Kanako
Crystallization of love!
Dad's an alien .....
Mom is a .....
.....

We've hidden this from you till now. Sorry.
...
Mom

Are you really my mother ?
Is this true
Makoto you are my real child born from the time I was with that person
It's true.



till now ?
Why did you keep such an important thing..
But...
My mom and dad were supposed to be dead...
Grand-father, you said s.....
Well about that...

Makoto
I wonder do you know about the Abduction case?
Abduction ?
When Kanako was a young adult
From infront of me_ she suddenly vanished without a trace__

!?
Those aliens, in their UFO abducted Kanako in order to carry out experiments on her.

In those days there were plenty of stories about such happens on TV and in magazines.
But, it all naturally seemed like a pipe dream.
I didn't believe it.....
After 36 days she was returned
I don't even want to think what happened during that time
But

When she returned
She had been impregnated!
How rude
There are aliens that do experiments on human subjects but,
We don't do that We just do research
You say that.
But you're the one who impregnated my daughter

I
I wasn't experiment ed on by them!
It wasn't like that How many times do I have to say that!!
Dad!
I spent time on the space-ship because I was invited
But..
I was the only earthling there so
I got lonely
It was during that time, that "he" showed me kindness
.....

.....
and then
Makoto
was born
.....

Um
Wait, what did I just say?

Whatever happend, in the end,
Do you think Kanako and my Dad were in love?
Moko-Chan,
In some aspect, that time has already come and gone
A ha ha...

As for Kanako I should call her "Mom" huh
Right
Though we aren't connected by blood, we are sisters right
Wh
Wha
What should I do?
The problem is your Dad
I really don't want to think about him right now
I heard something serious!!

Hiromi
Good morning Ryōsuke Naoya.
huh?
What's up?

Hiromi
Good morning
Nothing much.
Hey ....
Where is Mako-Chan?
Did something happen to her?
She said she'd skip today
It looks like she came down with a cold.
Really ?
Yea.
Recently, Mako-Chan has been acting strange, huh.
!

Mako-Chan
Although you looked like you were carrying yourself well
I guess that was a considerable shock for you
She skipped

Meko-Chan
Are you okay?
PATA-N
When you suddenly brought up that you'd be skipping school this morning
I became concerned

Makoto .....?
Sorry about today.
I'll make sure to go to school tomorrow ....
I understand.
Well..
I have to leave for work.
So, take care.
Ok, see you.
See you later.

Are you angry at me?
Whatever excuse I give will be unacceptable but
During that time, my disappearance got some recognition on TV and in newspapers

So, when I came back the publicity was terrible...
Journalists and TV reporters came all the way to the hospital .....
They came to check the results of the hospital examination and see if anything peculiar had happend to my body
I already knew then... that you were growing inside my belly...

So everyone here must keep this a secret! I will raise the child
If this scandal is made public we dont know what the repercussions this will have on you me and the baby
And then when you were born
only a few other people knew you were different
This is for the best
You will live a normal life like this never happend
Not even this pregnancy
When you disappeared nothing happend
But
It was the only way to protect you from the world's curious gaze
But
But

No..
That is only an excuse.
It was just keeping up appearances, by sending my daughter far away!
I
was a fool.
But, if somebody found out about your body. That it was half-human, and if that became public, you might have been made a guinea pig for scientists and politicians.
So,
So
S

Mom
What happend until now is not worth worrying about,
What is more important is that I have a mother, and compared to before, that makes me happy.
Ma-kato .....

Anyways I've become interested in finding out one thing
Who's older_ Hiromi or me?
Hiromi ..... she was born 3 months before.
No way, does that make me the younger sister?
*giggle
Well, I'm going.
Take care.

For me
.....
the biggest shock,
wasn't finding out about Mom.
It was finding out that Dad was an alien
.....

I wonder did he just come all the way here to meet me?
Is, I feel, there was another reason.
The truth

Ye-s
PIN PO-N

Kanna
!?
Would you like Coffee, Tea,
or some juice?

カチャ
Now ....
Mako-Chan are you here by yourself?
Kanako left for work
hmm.
Kanna?
Well, then I guess you are..

Did you skip class?
It was more like I turned back at the front gate.
I heard Hiromi.
She said you took the day off ……
So I came.
You shouldn't skip class.
You can't persuade me of that,
when you blush as you say it.

Do you know why I'm blushing?
No I don't ... Tell me..

un…n
n……
Aah

hmm
It's your turn

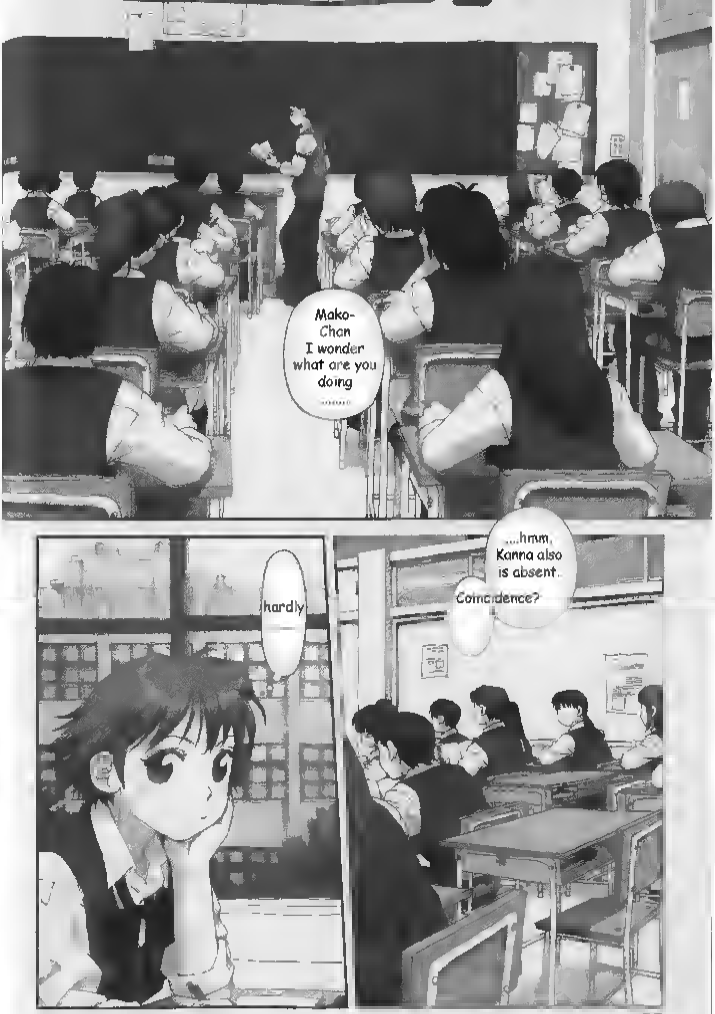
What you can't figure it out?
It's probably not just to see Makoto's face
What is your real objective for coming here?
Hey
I don't have much time,
The energy of my spaceship and this probe are running out.
So, before I don't have enough energy to return
You bastard ...!!

Aa
n
!
I intend to take Makoto back with me

Mako-Chan……
I want to see you,
cum……
Aa……a
No-
Aan
Do more than that and
I'll……

Kanna
Yau're Cute ♡
Na,
Maka-Chan that's nat fair
Not ⋮ There !!
That won't happen on my watch!
I will nat allaw yau ta take Makata to anather warld!

Well, it's not like you can do anything to stop me
No one on this planet can.
huh?
Aa
Aa
Aaa



Mako-Chan I wonder what are you doing
.....hmm, Kanna also is absent..
Coincidence?

Where is Mako-Chan?
She left a short while ago with Kanna

They
are over
there
again
I know
they're
always doing
the same
thing
Does she
think I'm
stupid...

Hey ?
Tamami lost track of them but...
Mako-Chan. Kanna

I found you
Mako-Chan, more…

Kanna, I can't I'm,

Cum—m
It's fine Mako-Chan.
Cum!

What are you thinking having sex in school?
Well
I don't think you're going to stop doing it but
Is that what you're doing?
You and Kanna have been disappearing together a lot lately, right...
Sorry

Yup
Practically everyday now
Yester-day it was in the restroom
The day before in the nurse's room
Before that
Wow
You are just like cats in heat!
Even I myself know that but
Anyways doing it like this is bad huh

The north building's 3rd floor restroom
The pool
At lunch time today Where did you go?
And yesterday?
Want to hear more?
In all those places were you having sex?

Lots of sex,
more incredible than you could imagine.
.....
GUSU
D-
Don't Cry.
Why did this have to happen
Although I stuck to giving up on guys...

I tell myself that but
doing this is bad
always constantly
When I meet Kanna,
I can't control myself and,
so we have sex.
Mako-Chan when you say it like that ...

It's kind of scary..
you sound like a guy you know
Eh !?
Tama

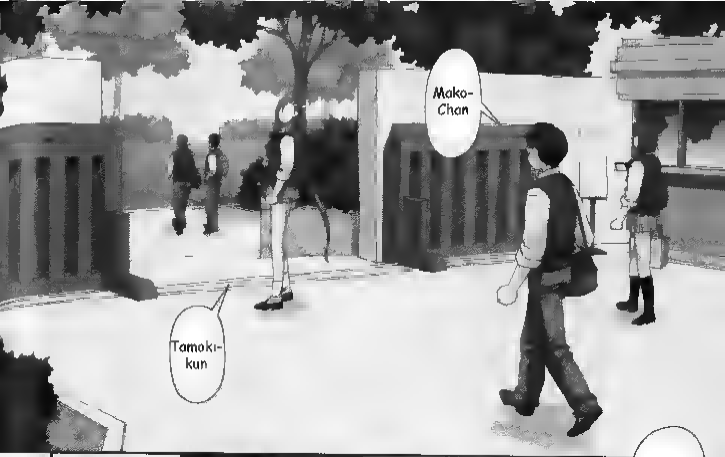
Hey
Why
Why am I no good?
Is having a penis that good?
Without a penis
I can't satisfy you.
Sorry
Of course, I love you, Tamami.
But
I love Mako-Chan more.

Tama
I'm sorry



Mako-Chan
Tamoki-kun

Are you alone today?
Where are your usual body-guards?
Ryōsuke and Naoya went ahead with Hiromi
As for Keigo
I have no clue

A ho ho
Hey That was a pretty strong sneeze.
KU Sneezi
Yeah Anyways.
I've got business to attend to. So
I'll be going home now
You're going to be Kashiwagi's bodyguard right?
That's no good.
Once in a while, you should be my bodyguard.

Teacher... Isn't it bad to be doing this on campus?
It's been a while, so lets go to a love hotel
Kay?

Although Mako-Chan you're tough...so it probably doesn't matter whether or not I'm here
Ye-
-a
Today I'm like your bodyguard huh...
Yea
Mako Chan?
What's the matter? Are you okay?

PI RU RU
*cell ringing
Dad's in the hospital?
WHAT?
Hey, hey what the hell are you saying?
Are you okay?
Okay, bye
Understood I'll go there right now
hey wha-
hey
Ye-s
This is Keigo
You can't come now?
Then there won't be enough people for the party

find Kashiwagi.
Sorry
Keigo Mori-uchi
You suck !
Teach-er
Urgent business came up. I have to go
But :(
By this time. She might already have arrived at home.

Hey, Tomoki-kun,
you always do this here?
Is nobody here?
It's okay
Well
Of course I can't keep these female goods at home
If Mom and Dad found out, they'd disown me
Also my brother is there
That's terrible

So now I can properly listen to what you have to say.
If I'm not in female form, my honest side can't come out.
Well
Okay
Hey?
Isn't that Kashiwagi?
What is she doing here?

Well the truth is,
My boy-side finally made it's debut.
When you say debut
Does that mean you took a girl's virginity?
Isn't that good?
It isn't
What are they talking about?
Damn, I can't hear it that well from here.

.....
I see so that is the reason why you have such a long face
But, if you were a guy you'd just be having sex It can't be helped
Although doing it at school is a little much no
But the more and more I do it
I feel a pain like an empty hole in my chest is getting bigger

What
What should I do?
The first time you did it was for that reason and that's why you have an unfulfilled feeling
The trouble is that your boy parts seeks out the female body
I think you probably don't really like Kanna.
I wonder when your boy-side had it's debut did it destory that balance
Until now your boy parts and your girl parts inside of you were in balance
Well ...
I think Mako-Chan, you're different than other people .....

BURGER WACKY
Are you saying that if my girl-side had it's debut_my old self would return?
Well
So...
Therefore,, Isn't it advisable if you did it with a guy?
Tomoki-kun
You're amazing
No-
I'm not a hermaphradite like you
I'm just a girl trapped in a boy's body

I'm listening.
I'm listening.
Did you hear what I was saying ?
Keigo?
hmm

To not say anything to anyone.
promise.
So, please, please

Hey, you
Are you really Tomaki Hisamatsu?
Uh
Or...
Though I heard that strange stuff
Is your hobby to dress in drag?
Thanks for always taking care of my older brother...

If Kōhei knew about this...
He'd surely become bed-ridden
No
I like boys over girls.
Keigo.....?
Hmmm...
Um
uh

He wasn't bad.
It was just that his body couldn't take my body.
With Kōhei.....
Oh yeah...
Therefore, the thing about my body and the thing about Tomoki-kun we'd like you to keep it a secret.
What would others think about me.....
He said he liked me so he hid it.

I'll promise
on one condition
?
Please promise
So
If you go out with me I won't talk
How about it?
So out with me.

In heart and body I'm half male
So?
Didn't you listen to what I said?
Shh. Don't talk so loudly
You might be able to have your Girl debut.
Stupid
If I don't try going out with you, I won't know.
Good or bad

And with that
I was commuted to a date
With Keigo ?

You're certainly in high spirits, huh
You even got the underwear picked
Are you thinking of going that far with Keigo?
Hey
I was thinking about wearing this. What do you think?
He's your ex...
I'm sorry !!
Oh !

Hiromi
It's fine
Don't worry about it, I've already got over Kei.
I was insensitive
I was so caught up with everything
When you say dates,
Will those include sex?
We just aren't going to suddenly be in a relationship.
We're going to go on a couple dates first.

He pushed me down on our first date.
Wow
Because that's his thing.
He will.
If he requests it, we might do it.
...probably
I don't know but...
Since he has a habit of cheating.
Having a relationship with him will be painful.
But
Haven't I been saying that.
Well
I'm relieved.
It really seems you are over him.

Cheating I don't really understand it
Normally
To be cheated on, is horrible, isn't it?
Yea
What?

What are you going to do about Kanna?
Well now
You're in a relation-ship with Kanna but you're also going to have a relation-ship with Keigo you know?
It's not all right to continue things as they are?
What do you mean
What am I going to do with Kanna

It's not good to go both ways
After all
That isn't my intention but,
inside me, my boy parts seek girls,
and my girl parts seek boys

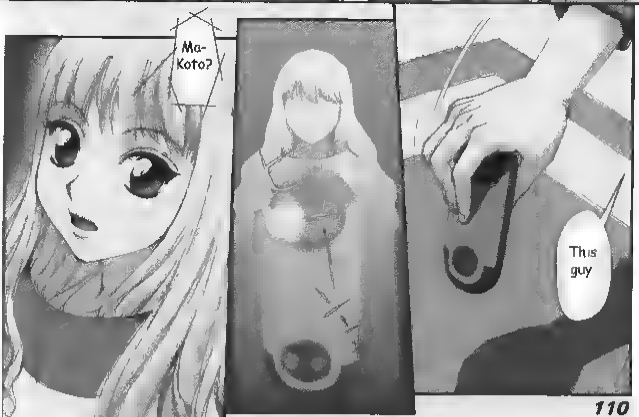
For me that's a natural thing
Some-haw
I can't understand how you feel but
Don't you think this thing is dependant on your partner's feelings?
If you knew that Kanna or Keigo were in a relationship with a person other than you
I wonder what you would think

I should decide on whether I would like to have a relation-ship
with a guy or a girl...
For the Me now though, that's difficult
Yea
For me, it's harder...
.....
I really don't under-stand...
But I don't think the reason is because you have two sexes or such.....

I think
Those clothes look good.
Thanks
Oh yeah...

It looks like somebody has come.
At this hour, I wonder who it is?
Suddenly coming at this hour, what's the matter Dad?
I didn't want to come, but
It's Grandfather .....

He was saying he wanted to come here no matter what
He?



Ma-Koto?
This guy

Did you want me?
For what?
Ah
Dad
Makoto
Return with me

No !
I meant lets return to my world together.
By "return" do you mean to Grand-father's house in the country ?
I don't want to I just finally got used to living here.
Wh at
Wha
Since, You are my only heir.

What's the meaning of this? Dad!
He said he wanted to take her to another world.
"I wouldn't allow it!"
I said.
However we really have no way to stop him from doing so
So,
Let Makoto decide on what she wants to do
We agreed upon that on come here
But It's all right there is no reason that Makoto will throw us and this life away
Dad...

the construction of your body is different
At first glance you appear human but
Genetically in general you are similiar to me
To a lesser extent you are ifferent in culture and thinking but in the future how much will you suffer if you remain here?
All I can do is worry
If you come to my world I can give you a happy life
Unlike some people
I'll always be by your side

So, everything that is important to her is here
And since she was born, she has lived here, on Earth,
I bore Makoto
What, you're just saying things that suit you!
And neglecting all that has happend till now..
This place is fine.
What if something happens to her, how do you intend to protect her!?
If she remains here..
Because, Grandfather and Yasugi are here.
Right?

What?
Furthermore, Grandfather's old friend, Abiko, is plotting something.
How will you protect her from the curious, being misunderstood, prejudice, and discrimination?
Since, he has extracted her DNA and is holding it somewhere.
If it is to that extent, then I will protect her too
Yes
We didn't know ....
Sorry
Why didn't you say that earlier
If danger is pursuing her, what should we do?
You're her father aren't you?

What
I won't go.
.....
Dad
I will not go to your planet!

I have to get to bed early, because I have a date tomorrow
So, Dad Grandfather go home!
Good night!!
NO

FUAAA
*yawn
I came a little too early huh
.....
I couldn't sleep a wink all night
.....
Why did he have to say such a thing
.....
man
Let's return to my world together!

Just incase, If I'm invited by Keigo, I'm ready.
Before I left, I shower-ed, and
I wish I didn't have these bags under my eyes but
I put on the best underwear that Tomoki-kun could find,
So in all, I'm prepared .....
Although, when he sees my body, I wonder what face he'll make .....?

The body of a man and woman together
I'm a herm-aphrodite
Is it okay that I'm here?
Yea. Of course
Hiromi was a little shaken but..
Soon she accepted me
.....

Sorry...
Something seems to be wrong
Though Hisamatsu had a problem with it,
For Kanna...
Kanna !?
In spite of everything, I love you.

ザワ
The people that accepted me were all women.
I wonder, if it's impossible to be accepted by men .....?
ザワ...
Will I be able to have my Girl Debut?

!
しゃり…

Hey?
I'm not late, am I
I came too early
Let's go
Ok

Sorry Make-Chan...
I was worried so I followed you.

Hey Kashiwagi
Did you grow taller?
hm
What's the matter?
No
Today, it's because I'm just wearing high heels.
The heel is about 7cm.
And me,
I'm 187cm
I was certain that you were 179cm.

What?
Tomoki?
Keigo, if you make Mako-Chan cry, I will never forgive you
Hey, why are you here?
Well, because it might be my fault...
What do you mean by that?
More importantly if we don't chase after them we'll lose them

Like this?
OK
Aim a little right of the head pin
OK
Make your wrist rigid and swing it straight like this

I did it.
Is this really your first time?
Wow.
16

Kashiwagi, you really are incredible.
Prob-ably you just have talent
No
You're a good teacher ♡
HEY
Why are they here?
Mako-Chan is amazing.
Yeah ...

Ah
Eh?
Hey
What are you two doing over there?
unn
!He-
Hey, don't cling to me.
Let go !!
Let's go...
Wh-
What
Where are we going?

What ?
What's the matter?
No-thing
There was just some people I knew there.
Why are we running?
Well ....

They started to move again.
Ah
Hurry up, if we don't give chase, we'll lose them.
Get out of the car.
It's fine.
It's not my job to be their body guard..
Ah,
That Abiko guy,
he has appeared.

Hey

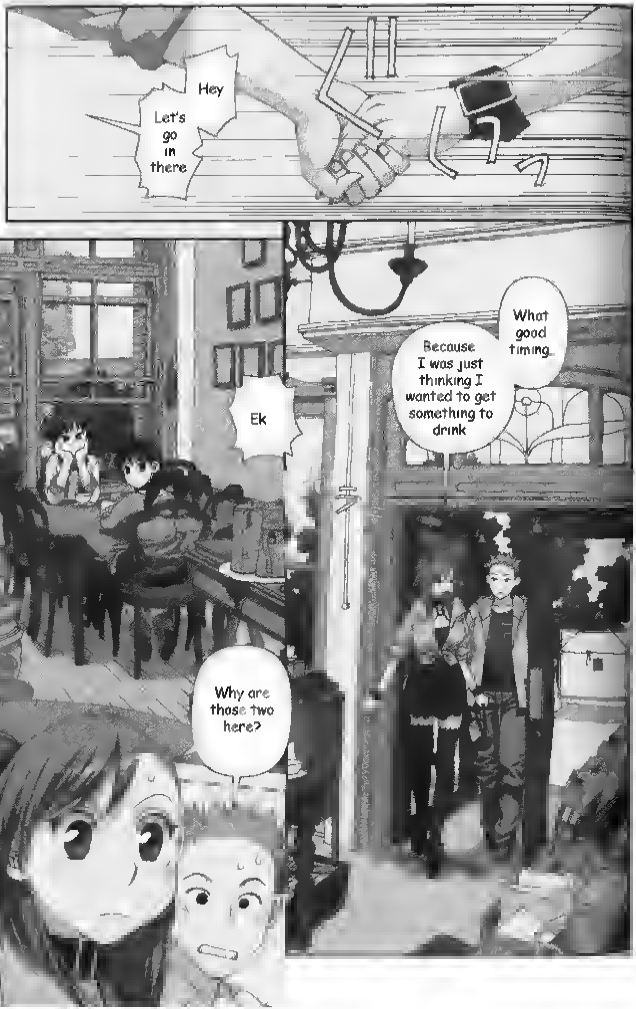
that's Abiko's younger brother I recall that he checked out Abiko's research documents

It seems that Abiko made his brother check out the cellular DNA of Makoto that he took.

He is most likely in the employment of a university laboratory...

ガチャッ

Yeah.
I was trained by my Grand-father
If so, your athletic ability is incredibly high
Seriously that was your first time bowling ?
Speaking about your abilities, remember those people that tried to steal your cell..
You easily beat them up, huh..
I had completely forgatten about that
Kashiwagi you can be scary.
What the?



Hey
Let's go in there
What good timing..
Because I was just thinking I wanted to get something to drink
Ek
Why are those two here?

Lets change coffee shops
OK
YA ..N
SOFUu
Some how today,
we're meeting a lot of people we know, huh
ha ha ha ...
What the ?
It can't be,
this time it's the Japanese History teacher Midori and the school doctor, Miwako.
What ?

Why is this happening!
Hey, don't run away!
There they are.
Ah.
Did you talk to someone
about this date?
Hiromi,
Of course, because we're like family
...
Oh no.

Sorry
For?
Anyways right now we are near you
Sis where are you now?
We last them
umm
Don't tell me you told this to Kanna?
No, no
It wasn't Kanna, it was Miyuki.
I didn't think she would make such a big fuss about it.
I talked about this date.

Why to Miyuki!?
Wh-
If you talk to her about anything, she'll blab it to everyone at school
I had to, because she knows about me.
If I didn't give her the info on Maka-Chan's date, she said she would expose me.
You should've said that early.
AKUSHO sneeze
PAKUN
What's up?
Mi-yuki.
Somebody is talking about me.
GUSU *sniffle

Anyways, let's try going to the Teacher's location
But they lost them
Yea
Was Kashiwagi there?
Excuse my abrupt question but
Why are we chasing after them an their date?
because
Isn't it fun. ♡
Well, we just wanna interfere with their date.

Finally, we're alone.
Just the two of us
Can I go over there next to you?

HEY ?
Hey
What ?
Hisamatsu and Ayame-Chan together
Does that mean ——?

I wonder if Ayame-Chan
and Hisamatsu are going out....?
I didn't notice .....
nor, did I hear anything about that.

They look like they're having fun .....
Are you still interested ...
Uhhh... Not in Kohei, I mean in Ayame-Chan?
No, it's all right.
That's old news. ...
hmm

I want to leave here before they spot us
Where are we going in such a hurry?
So please let's run!
What's with the strange concern?
I just want to go on a date,
without being bothered by anyone
Ka-shi-wagi,
are you okay?

Hey
Isn't that Mako-Chan?
Keigo is with her ....
Mako-Chan's also an a date taday, huh
What should we do...
I wonder if they found out,
that we are dating?
Eh
Is it bad if we're found out?
Uh - no

That guy, Abiko isn't chasing Makoto.
What does he want?
Even though he has captured proof of a half-alien
I don't expect that will make him any major profits
Does he want go on TV and make some noise?
Of course, wasn't it for my planet's technology?
Prob-ably
huh?
Someboy has come.

What are they plotting ?
Who is that?
different then the ones up until now, ……?
Aren't these people that he's associating with.
Now, come quietly ……
You got that right.
Somehow I got a bad feeling about this ……

No-thing
Any-thing?
It seems like Mako-Chan hasn't come through here
How about over there?
Hello
This is Miyu-ki.
They don't seem to be around here, huh

We'll try going there right now
Ok got it
Is there any other possible place that they could have gone?
Yeah
She doesn't seem to be here either
How about Miyuki?
My sister said she'll check out the ferris wheel one more time.
She said that they didn't seem to be there
.....
Oh my god!

They haven't noticed us huh
Yeah
Shit
Why is everybody interfering with my date..
huh ?
.....
Even with that, it's been pretty fun, right ....

It can't be helped If it's going to be like this, then we'll just have to make a change of plans
Change of plans?
It's a bit early but,
That real reason for today's date
Let's do that now
What...?
Where are we going?
I knew what you meant
Sorry I'm kidding

Hey, Hisamatsu and Takaishi
Teach -er
What a surprise aren't you two an unexpected couple
Since when have you been going out?
Today is our 3rd date.
Teacher are you also on a date today?

What me and Miwako!?
Be quiet already...
Anyways, more importantly have you seen Kashiwagi and Moriuchi?
We saw them.
Until recently they were here.

Teacher, why are you looking for them?
On your day off...
You two...
Don't you know something about Kashiwagi?
That something...
Might it be...

...about Mako-Chan's penis being
like this?
Wow
You shouldn't have said that!!
Is that called the world of perver-sion
That's it!!
What is that the truth!?
Mako-Chan invited me but,
since I don't really understand that sort of thing .....

ta reveal a person's secrets so readily!
Isn't it bad
It was a secret?
Did I say a bad thing?
Did
uh ?
No you're wrong.
Half of her is a fine woman.
I wonder if she is a she-male.
I've been tricked .....
Just as I thought she's a man.
WHAT ?

Are you a pervert ?
I should n't have said that
No, he means that she isn't a transvestite but was born that way right!
Are you saying that she isn't a man becoming a woman, but a woman becoming a man?
No way !
Shes a hermaphrodite?
Is that true?
.....
Uh I don't particularly.....

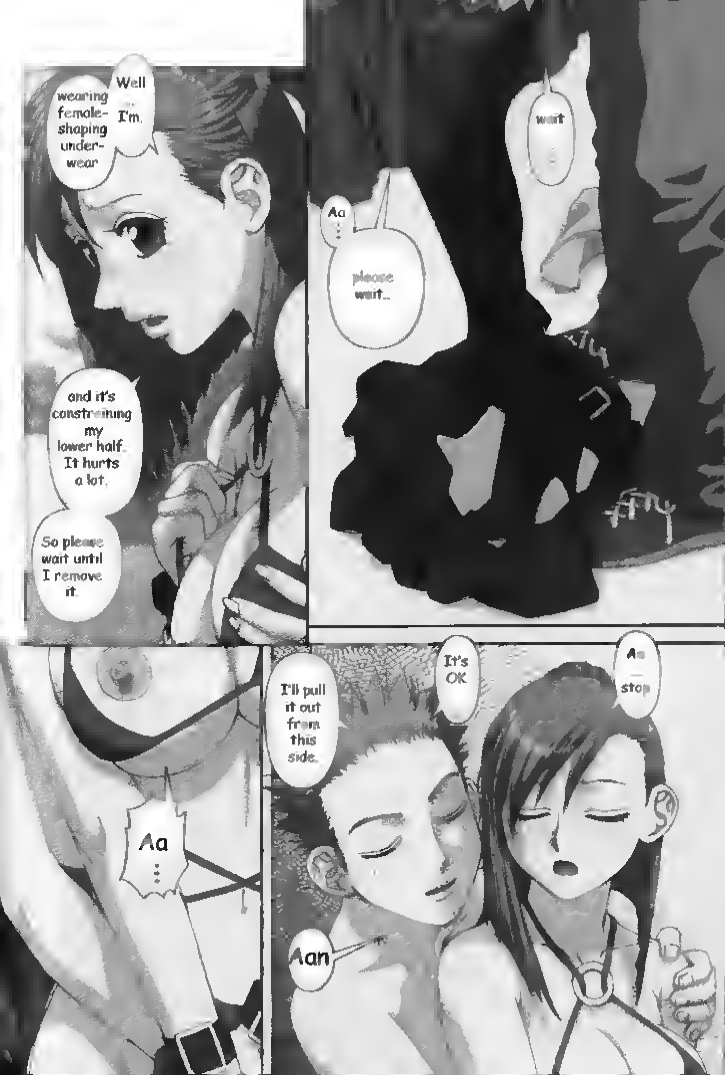
We'll just ask her what the situation is.
Anyways, we're looking for them right now, and...
And then...
After that what are we going to do?
Well...
.....

TEL

They're most likely still searching around the normal dating spots
It was good that nobody spotted us coming here huh
They probably don't think that somebody would go to a Love Hotel in the afternoon..
What's the matter?
uh huh

Do you dislike my large chest..?
It's fine
I love big breasts..
But,,
I also have a penis
Are you fine with that as well?
GYU
Aa !

Just being able to have this unique experience,
makes me very happy
Aa…n!
Not there!
Aa…
Unn:



Well... I'm wearing female-shaping under-wear
and it's constraining my lower half. It hurts a lot.
So please wait until I remove it.
wait
Aa...
please wait..
Aa...
I'll pull it out from this side.
It's OK
Aa stop
Aan

Aaah !
Ah ?
No... stop
Is this ..... silicon?
This is well made.
Ah.
I got it.
I can pull it out this way...
Aa.....
Don't grope it like that

A ha ha
I'm sorry
I'm kind of relieved to know that your penis works correctly
You really came there huh
Well ..... next,
How properly do your girl parts work....
I should check that out .....
No... please wait...
Aa : : nn !
Lets do that in the bath .....
please

I wonder where they went...
They've really disappeared, huh.
Stop saying that!
No way
I...
I will not believe that.
Now they're probably fucking their brains out at a love hotel
!

That girl has been with us for while...
Who is she?
If you know about Mako-Chan's body then,
You must under stand
Why did Keigo ?
Though I was there
I can't get a hold of Miyuki's party
oh !
no !
GAKU
ATAN
Please wait
My Sister as well .....
I can't get a hold of her.

How about entering the water then?
I'm a little embarrassed so
please don't look
Eh heh heh...
In the water I won't be able to see it. So it's okay.
Well, since I can't see it..
even if you're a little bit hard, you have nothing to be embarrassed about.

Aa
Try leaning back a bit
Aa
Wait a sec.
not, that suddenly
Like this?

My finger
got in
No
Stop
Aa

Hey
Have you ever masturbated ?
No
Please don't ask such things

Aah
If you aren't going to say it's like this
Ha-aah

Like how?
Yeah ..... I have.
Aa
My girl part, I pet it and insert my fingers .....
My boy part, I stroke.
I've also stuck a pen in there.....
Haa .....

Haa
Uu
I'll give you one more finger.
For telling me, here is your prize...
Aah
No

Eh
I have a feeling that they are here.
somehow
On the first date?
No way
more over the sun's still up.
Yeah
Nope
If it's him... then he'd do that

I often hear such from my brother
That guy has no morals
First dates in the middle of the day, those things for Keigo don't matter at all
That's terrible.
I can't think of Mako-Chan with such ...a man!
So why don't we go home?
It seems like we completely lost them
Well
Tama !!
they're fucking their brains out and...
Right now

We can't get a hold of any of them
that's kind of strange
Yea
you're right
We can't
because we still can't get in contact with Miyuki and the teacher's groups
We can't just go home because we want to, right
It's AOIKO !

Your friends are in my keeping.
If you want them returned unharmed
come with me.
Don't make a fuss.
CHA *gun
If you're going to make us hostages in order to capture Mako-Chan
For me,
I still want fame and fortune,

he hasn't reported back at the fixed time
I expect he's chasing after that Abiko guy but,
It's been already 6 hours since Yasugi contacted me
Makoto was supposed to have come to this area today but.....
Over there ....
it's Yasugi's car .....

Where could he have gone to?
He's not here, huh.
I got a bad feeling ... about
I wonder if Makoto isn't also involved somehow...
Kaneko, What's the matter?

I think so.
Yasugi had Makoto's Cellphone, right.

Honey
protect Makoto and Yasugi
Please

Search this area for clues

If you're this wet... it should be okay
Kashiwagi... that girl debut you said...
Let's try doing it
OK...

Like that slowly bring down your hips
All Right
Relax a little more
Aa ....n

Aa
It's going in
Ouch !
Umph

Are you okay ?

Please don't talk to me right now
Kashi-wagi ?
Haah

It's all in...
Haa
Haah
.....
Be-cause ....

Hey, Kashiwagi
If it's too painful... we can stop
Eh
Wh-at?
Aa

It's fine
It's okay
Well then let's go
Yea
WH-AT?
KYAA !!

Even if I stop,
Stop please stop
the pain will not stop so soon.
Stop !!
BASHA
It's splitting

It's over so remove your hands, and relax !
Ouch !
Ow !
Ou !
It's over !
I said Ouch
Ow !

How are you?
Are you in pain?
Yea
It's smarting and,
sti-nging ...

So, how was your Girl Debut?
Uh
It didn't feel good at all,
I don't want to do it again.
It's the worst, there is bleeding and it hurts
That's only in the beginning
I hear that the more experience you have the better it feels.
I wonder if that's true

OK
Next time, let's have sex again
You won't know how good it feels if you do it just once
Eh..?
What!?
.....?
Yeah it's me.
Hello This is Keigo Moriuchi

Everyone has been abducted by that guy Abika
What !?
He said to take you along...
I'm going to save everyone

It's not a lie
I'll do no such thing
It's just that I had to go to a place that the Japanese Police Force couldn't reach
What do you intend to do with Kashiwagi ?
Even in a time like this you think like a teacher
You are quite clever, Ms. Midori Morosato
Makoto Kashiwagi is my bait to get highly advanced alien technology
I will trade her

Since it's came to this there really isn't any reasan not to talk about it huh...
